PROFESSIONAL EXPERIENCE

Senior Product Manager, Courier Mobile Apps — Just Eat Takeaway Apr 2023 – Present

Berlin, Germany

- Acting as Lead Product Manager since Aug 2024
- Own end-to-end product strategy and roadmap for the whole Courier App ecosystem used by own-delivery partners across **13+ countries**, positioning it as a strategic lever in JET's logistics operations.
- Led company-wide OKR to provide fast and accurate logistics experience through an increased order tracking rate across partner-delivered orders.
- Led cross-functional development teams and cross-pillar initiatives spanning engineering, design, operations, and logistics.
- Increased app adoption by **+50 percentage points** through feature-led and organic growth strategies.
- Defined and shipped high-value features that improved delivery reliability and operational efficiency for couriers.

Senior Product Manager, Consumer Mobile Apps — Urban Sports Club Jan 2022 – Apr 2023

Berlin, Germany

- Led the core mobile app and digital content teams; owned the app's product strategy and long-term vision.
- Drove fraud-reduction and cost-efficiency initiatives across the mobile funnel, increasing revenue by **10%+**.
- Launched the Video-On-Demand platform across the Urban Sports Club and OneFit apps.
- Reduced new-user learning curve and improved Elasticsearch search relevancy, lifting activation and discoverability.
- Introduced A/B testing capability in the mobile app and ran structured product validation to identify product-market fit.
- Mentored junior and senior product managers and contributed to an org-wide product learning culture.

Senior Product Manager, Storefront — Smava GmbH Feb 2021 – Jan 2022

Berlin, Germany

- Owned product strategy for the Offers and Checkout domains across the smava and Finanzcheck platforms.
- Led the post-acquisition merger strategy for Offers & Checkout following the Finanzcheck integration.
- Delivered **3 major post-merger milestones** and ran A/B tests that improved conversion and user experience across the Offers & Checkout flow.

Lead Product Manager — Customer Alliance GmbH

Jul 2020 – Feb 2021

Berlin, Germany

- Defined product vision and a cross-team measurement framework, aligning the roadmap with company OKRs.
- Implemented OKR-driven planning across the product organization, improving focus and delivery predictability.
- Mentored and coached product managers, strengthening team alignment and morale around unified goals.

Product Manager — Customer Alliance GmbH

Aug 2018 – Jul 2020

Berlin, Germany

- Led product discovery, market research, and feature launches targeting new verticals; owned end-to-end strategy for key growth initiatives.
- Optimized the platform's infrastructure to win key accounts, contributing to a **50%+ revenue increase**.
- Led the technical implementation of Customer Alliance as Mazda's customer-experience tool.

Project Owner, Careem Scooter — Careem

Jun 2017 – Jul 2018

Cairo, Egypt

- Launched the Careem Scooter MVP in the Delta region, expanding Careem's mobility footprint and supporting the broader “Super App” vision.
- Defined the launch plan, pricing strategy, and KPI tracking for market entry; met trip and revenue targets.
- Recognized with a company award for outstanding performance.

Supply Associate — Careem

Feb 2016 – Jun 2017

Cairo, Egypt

- Expanded the supply fleet into new cities and built strategic partnerships to optimize city launches.

Business Analyst — Flex-Europa

Oct 2015 – Feb 2016

Cairo, Egypt

- Launched a new online shop for advertising machinery and defined success metrics, roadmap, and backlog in collaboration with senior leaders.

EDUCATION

B.Sc. in Electronics and Communications Engineering — Faculty of Engineering, Mansoura University, Egypt (2008 – 2015)
